ABOUT NEMA:

The National Emergency Management Agency (NEMA) is a Bahamas Government agency, which operates under the authority of The Cabinet Office.

Vision: An organization that anticipates the potential negative impacts of disasters and emergency situations and develops effective and efficient plans, procedures and systems to minimize such impacts, by relying on sound principles of disaster management, community participation and inter-agency collaboration.

Mission: To reduce the loss of life and property within the Commonwealth of The Bahamas, by ensuring that adequate preparedness and mitigation measures, and response and recovery mechanisms are established to counteract the impact of natural, man- made and technological hazards.
